

～ 浸水想定区域 ～

A stylized illustration of a landscape. On the left, a blue mountain with white peaks is partially covered by a white, swirling line representing a river or path. To the right of the mountain is a small village with several houses. The houses have colorful roofs: yellow, pink, green, orange, and blue. One house is taller and grey, resembling a tower or a church. The houses are set against a light blue background that suggests a body of water or a misty atmosphere.

A cartoon illustration of a young boy with black hair, wearing a green t-shirt and blue shorts, standing in a pool of blue water. He has a worried expression with a sweat drop on his forehead. In the background, there is a brown wooden dresser and a window with blue curtains.
